

Plastipak Earns Two UK Packaging Awards

December 02, 2020 | Plymouth, MI

Plastipak is proud to announce it has earned two 2020 UK Packaging Awards for its Deft range of aerosol cleaning sprays. The plastic aerosol packaging was awarded the Rigid Plastic Pack of the Year and the Consumer Convenience Pack of the Year. The transparent aerosol containers have a low carbon footprint and can be sprayed at any angle, even upside down. The product is fully expelled, therefore preventing product waste.

The 2020 UK Packaging Awards were held virtually in a five-day online celebration, with winners being announced in a series of videos.
